

Sheriff's Top 40 Flyers Club

A Sheriff Advisory Foundation (SAF) fundraiser

Here are the highlights:

- The Sheriff's Office recently acquired the office's first aircraft, a Cessna 182 Fixed Wing through a donation from San Bernardino County Sheriff's Office.
- The Sheriff has requested \$40,000 from SAF to help cover the cost of needed upgrades to the aircraft.
- The aircraft is important to our County because it will enhance surveillance capabilities, search & rescue, and narcotics operations.
- The Sheriff's 21 member Aero squadron will be the primary pilots.

We're looking for 40 donors interested in contributing \$1,000 each.

Club members will receive the following:

- Your donation will be tax deductible.
- Members will have an opportunity to have their photo taken with the Sheriff next to the plane and this photo will be mounted on commemorative plaque.
- Members will also receive a special edition Cessna lapel pin and will be thanked in the SLO Tribune and SAF newsletter.
